General information, specifications and accepted file formats:

Color Management: MarcomAndPOP operates a color managed workflow. We will convert your files to our custom profiles for optimum color control. We accept both RGB and CMYK files. RGB files will produce the greatest color gamut and maximum vibrancy. For best results select "U.S. Prepress Defaults" to set the default color working spaces under the Color Settings menu of your graphics application (i.e. Adobe Photoshop, Illustrator, etc.).

- Do NOT embed any color profile other than "Adobe RGB" into your RGB files.
- Do NOT embed any color profile other than "U.S. Web Coated SWOP" into your CMYK files.
- When in doubt, leave it out. We will convert your files to our output profiles from their default setting.
- Regularly calibrate and profile your monitor to ensure accurate on-screen display.
- All supplied image files and placed graphics should be 100DPI (max) at 100% of the actual size they are to be output.

Illustrator (Preferred): Save files as compatible with Version 10 (or earlier) for Mac OS. Placed images should be 100 DPI, at actual size. Terms and Conditions

Artwork Reproduction: The Fine Print

It is Against the Law to reproduce, in any manner, original artwork or photos without written permission of the artist. Marcom and POP will carefully examine all orders to determine if the materials to be reproduced have a copyright claim from someone other than you, the customer. If there is a copyright on the image, we ask that you provide a written consent to reproducing or manipulation from the image's photographer, studio, or artist. For images with questionable copyrights, should we decide to reproduce it, we will document our order carefully in compliance with graphics industry Copyright Guidelines. Exceptions to this include: copying or restoring a photograph for personal use, when in all likelihood the photographer or studio won't object (e.g., restoring an old family photo from 1920); or if you can provide proof of a previously arranged 'blanket' consent by the creator to obtain copies in the future without authorization. Finally, when you furnish your materials to us, you agree to release us and hold us harmless from any claims or liabilities arising from reproduction of the materials, or your use of them.

First-Time Customers:

Orders greater than \$500 require a 50% deposit payable prior to beginning the project, with the balance and freight due prior to shipping. We accept credit cards, cashiers checks and money orders. If your payment is sent via U.S. Mail, your project will not begin until payment is received.

Repeat Customers:

Please contact us if you would like to apply for Credit Terms. Otherwise, above-referenced terms apply.

Shipping:

Customer assumes all insurance and delivery risks or damage at FOB point as provided in common law.

The shipping quote shown at time of purchase may be different than the website charges stated, depending on imprinting, finishing and packaging materials and shipping method used. Actual costs will be added to your invoice upon delivery. Insurance will be added to all packages over \$100 unless instructed otherwise. The responsibility of determining additional shipping instructions and insurance is that of the Buyer. Marcom and POP are not transportation experts, and if the Customer wishes us to determine the best routing, we agree to exercise only reasonable care and diligence and cannot be responsible to determine the lowest cost alternatives in all cases.

Finalization of Orders:

Orders are considered FINAL when Marcom and POP receives a signed estimate, fax, email or verbal confirmation, a purchase order, approved art (if applicable), shipping address, and deposit /payment.

Canceling Orders:

If a job is changed or canceled by the Customer after finalization is complete, we reserve the right to charge the Customer up to the total cost of materials for the job.

ANY PRODUCT DEFECTS OR DISCREPANCIES MUST BE BROUGHT TO THE ATTENTION OF MARCOM AND POP WITHIN 72 HOURS OF RECEIPT OF ORDER. EXCLUDING MANUFACTURER'S DEFECTS, NO REFUNDS, CREDITS OR EXCHANGES SHALL BE CONDUCTED ON ITEMS THAT HAVE BEEN IN CUSTOMER'S POSSESSION MORE THAN 72 HOURS. ANY EXCEPTIONS SHALL BE MADE AT THE DISCRETION OF MARCOM AND POP MANAGEMENT.

Return of Merchandise:

No merchandise may be returned to Marcom and POP without prior written authorization in the form of a Return Authorization Form. Customer agrees to pay return freight, as well as reasonable storage charges for merchandise returned without prior authorization regardless of the merits of return. Liability for loss or damage shall rest with Customer until such return is duly authorized and accepted by Marcom and POP. Product defects shall be covered under existing manufacturer's warranties.
